Getting Started 1

- You can find your website at <https://www.quickpass.us>
- Place a bookmark on your PC by going to our website and going to the Favorites menu on your browser. Select Add to Favorites.

Login / Recover Password 2

- Login to the QuickPass® website using your QuickPass® Login (i.e. DMOC99999) and password. Passwords are up to 12 characters and can be alpha, numeric, upper and lower case.

Passwords are case sensitive.

A screenshot of the 'Visitor Management Login System' login form. It features a green header with the title. Below the title are four input fields: 'Login:' with the text 'DMOC99999', 'Password:' with masked characters, 'Remember Password:' with a checked checkbox, and 'Forgot password?' with a link. To the right of the password field is a 'GO' button. Below the password field are two more links: 'Request Account:' and 'QuickStart Guide:'. A white arrow points from the right side of the form towards the 'Forgot password?' link.

- If you have forgotten your password, you can click on **Forgot password?** This option is only available to residents who have an email address saved in the system.

Welcome to the QuickPass®

Contact Info 3

- Please provide your phone numbers in the order you wished to be called. Emergency contacts and your off-site mailing address can also be listed.

Notes 4

- In the Notes section, you can change the note on your account. This note appears on the officers screen when visitors are being admitted. Use this section to make note of any extended absences or special instructions. Please do not rely on this section to grant or deny access to visitors.

Login and Password 5

- In the User Login section, you can add a new login by clicking on [Add Login](#) or you can [Edit](#) your username and password on your account. This is also where you provide your email address and check whether you want to be eligible for the Notify Upon Entry feature.
